

The Canterbury Primary School

The journey starts here

Part of The Canterbury Academy Trust

Open Events 2025/26

Application Process

You can apply for a school place from Friday 7th November 2025 to Thursday 15th January 2026.

To apply for a place online, please go to:

<https://www.kent.gov.uk/education-and-children/schools/school-places/primary-school-places#tab-1>

We look forward to welcoming you to our school.

Miss. B Wilson
Head of School

Miss. E Kelderis
Head of Early Years

You are invited to our Open Evening for admission to the school in September 2026

We are a popular, happy, and friendly school which is set in spacious grounds within The Canterbury Academy Trust campus. We are close to the city but have unrivalled facilities in our state-of-the-art school, which was opened in September 2015.

We believe that every child walks with genius and is good at something. We strive to improve their life chances and help within the community.

Our aim is to provide as much as possible, as often as possible, for as many as possible, so that our children leave as confident individuals, proud of what they have achieved and are ready for their next stage of learning.

At our school, the children really do come first. Children and staff alike are encouraged to achieve their personal best within a friendly, caring, and nurturing environment. Visitors are welcome to come and meet the staff and see in person the facilities available, which include:

- City View Nursery and Pre-school is on site, which supports effective and smooth transition into the primary school.
- In partnership with the National Autistic Society and The Cullum Family Trust, we have the country's first ever primary Cullum centre - a Specialist Resource Based Provision for primary pupils with autism.
- Outstanding gym equipment and climbing wall.
- An impressive Multi-Use Games Area for primary pupils.
- There is a dedicated outdoor play and learning environment for Reception class children.
- Wrap-around care, including a breakfast club and an after-school club.
- A variety of opportunities in sport, in practical learning, and in performing arts.
- An opportunity to have professional tennis lessons as part of the unique tennis academy.
- Designated space for music lessons.
- Guinea pigs to support children learning about animal care.
- Pupils study Modern Foreign Languages from Key Stage One.
- It is a city school with a country feel, having large, green, and spacious grounds.
- There is a Forest School on site, with a trained Forest School teacher.
- Children with higher academic ability can progress into the Langton Grammar Stream at The Canterbury Academy.
